

setAbsoluteToleranceQuadratures

setupB

applyTolerancesASA

```
graph LR; A[setAbsoluteToleranceQuadratures] --> C[applyTolerancesASA]; B[setupB] --> C;
```

A flowchart with three rectangular boxes. The box 'setAbsoluteToleranceQuadratures' is at the top left. The box 'setupB' is below it and to the right. The box 'applyTolerancesASA' is on the right side, shaded gray. Two blue arrows point from the first two boxes to the third box.
