

SteadystateProblem

```
graph LR; A[SteadystateProblem] --> B[amici::Solver::getLinearSolver];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'SteadystateProblem'. The right box is white and contains the text 'amici::Solver::getLinear' on the top line and 'Solver' on the bottom line. A dark blue arrow points from the right side of the gray box to the left side of the white box.
