

amici::SteadystateProblem
::checkConvergence

```
graph LR; A[amici::SteadystateProblem::checkConvergence] --> B[getRelativeToleranceSteadyState];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'amici::SteadystateProblem' on the top line and '::checkConvergence' on the bottom line. The right box is gray with a black border and contains the text 'getRelativeToleranceSteady' on the top line and 'State' on the bottom line. A dark blue arrow points from the right side of the left box to the left side of the right box.
