

amici::ReturnData::
processSimulationObjects

```
graph LR; A[amici::ReturnData::processSimulationObjects] --> B[computingASA];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'amici::ReturnData::processSimulationObjects' in two lines. The right box is gray with a black border and contains the text 'computingASA' in one line. A blue arrow points from the right side of the left box to the left side of the right box.
