

processSimulationObjects

```
graph LR; A[processSimulationObjects] --> B[applyChainRuleFactorToSimulation Results];
```

A flow diagram consisting of two rectangular boxes connected by a dark blue arrow. The first box on the left is white with a black border and contains the text 'processSimulationObjects'. The second box on the right is light gray with a black border and contains the text 'applyChainRuleFactorToSimulation Results' on two lines. A dark blue arrow points from the right side of the first box to the left side of the second box.

applyChainRuleFactorToSimulation
Results
